

BrightTV Subscriber & Viewing Analytics

BrightTV has **5,375 total subscribers** with a predominantly male subscriber base and strong concentration in Gauteng province.

Subscriber Demographics

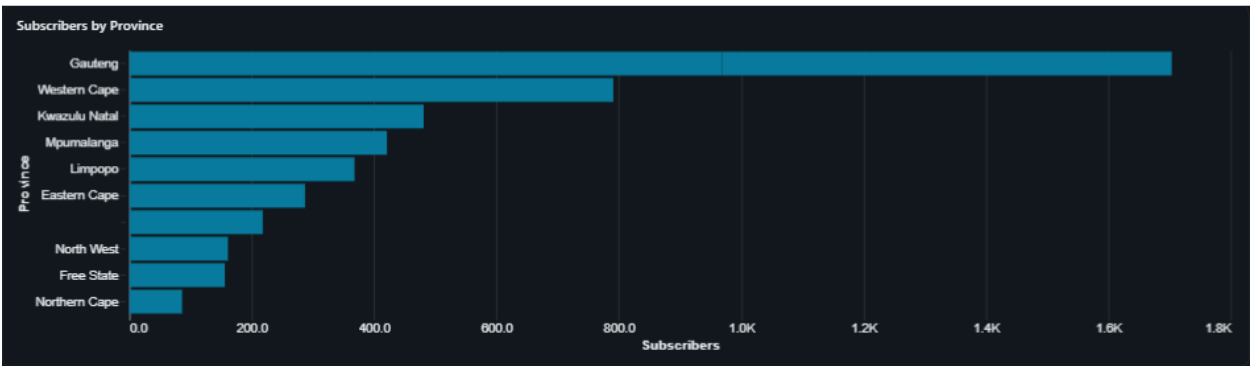

Gender Distribution

The subscriber base is heavily male-dominated, with **76% male subscribers** (3,918), **10% female** (537), and 14% with missing gender data.

Geographic Distribution

Gauteng leads with 1,704 subscribers (32% of total), followed by Western Cape with 791 subscribers. The top three provinces (Gauteng, Western Cape, and Kwazulu Natal) account for over half of all subscribers.

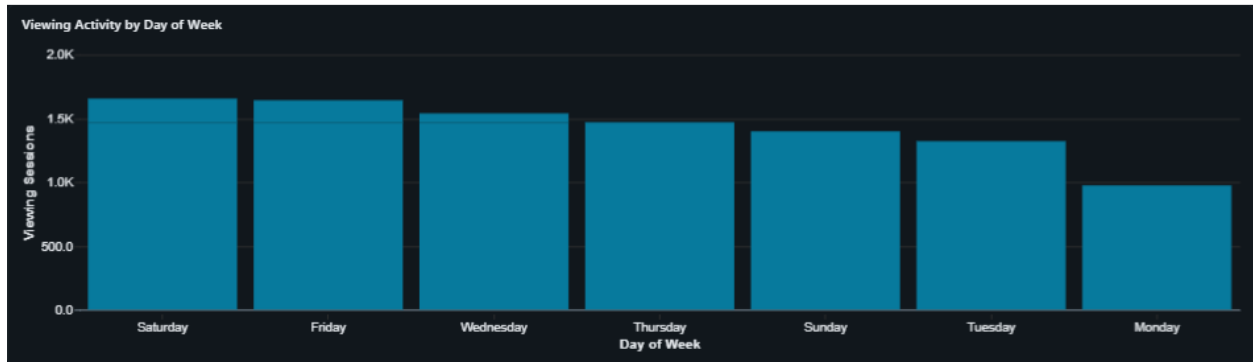

Age Profile

The **average subscriber age is 33.3 years** (median: 32 years), with ages ranging from 9 to 97 years. Note: The data contains some outlier ages (0 and 114) that were excluded from this calculation, indicating potential data quality issues.

Viewing Behavior Patterns

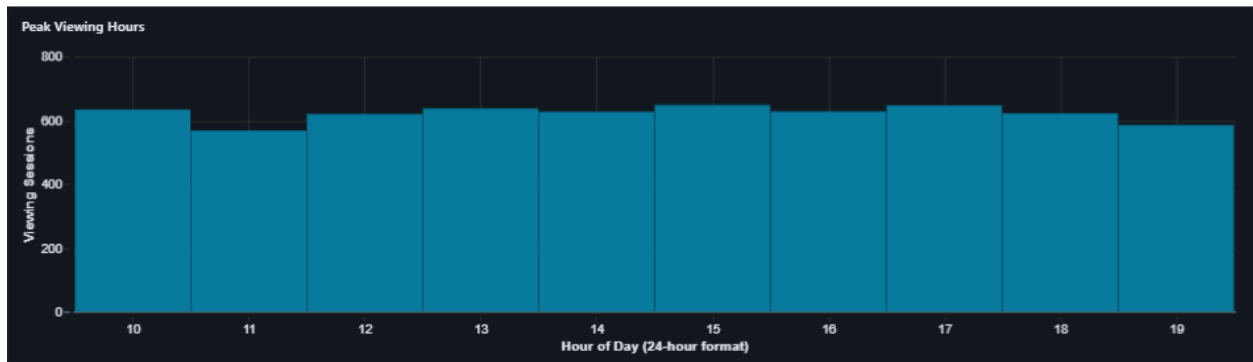

Peak Viewing Days

Saturday and Friday are the highest viewing days with 1,655 and 1,642 viewing sessions respectively. Monday has the lowest activity with only 974 sessions. Weekend viewing is notably stronger than weekdays.

Peak Viewing Hours

Afternoon hours (3 PM - 6 PM) see the highest viewing activity, with 3 PM (15:00) leading at 648 sessions, followed closely by 5 PM (17:00) with 647 sessions. Viewing remains strong throughout the afternoon and early evening (10 AM - 7 PM).

Most Popular Channels

Sports content dominates viewership, with Supersport Live Events leading at 1,638 views and ICC Cricket World Cup 2011 second with 1,465 views. Entertainment channels like Channel O (1,050 views) and Trace TV (952 views) also perform well.

Top 15 Most Watched Channels				
Channel	Total Views	Unique Viewers
